19 July 2018

Plan of management training registrations now open

Council Crown land managers are reminded that OLG and DoI – Land and Water will be running training workshops for council staff on the development of plans of management under the new *Crown Lands Management Act 2016*.

The sessions will be held from 31 July to 5 September 2018 in various locations across NSW. They will run from 10am to 3pm and will include an opportunity for council staff to ask questions.

For further information and to register for a session please visit:

Plan of management funding allocation and distribution information

Councils are also reminded that emails from OLG were sent to all council general managers on Wednesday 11 July to advise of the council's plan of management funding allocation, and to provide an overview of the funding allocation methodology and distribution process.

A specific FAQ document in relation to plans of management can also be downloaded on the OLG's Crown Land Resources page: <http://www.olg.nsw.gov.au/content/council-crown-land-managers-resources>

Further information regarding leases and licensing

A number of councils have contacted OLG and DoI – Land and Water for information about lease and licence issues in the transition period.

Three templates are currently being developed for use by council Crown land managers, in relation to short-term leases, general leases and general licences. A transition guide is also in development to address common issues.

These documents will be made available on the OLG's Crown Land Resources page in the near future.

Where to go for further information

For further information about the legislation, including the abovementioned support materials and details of upcoming training and events visit the OLG Crown Land webpage www.olg.nsw.gov.au/crownland.
