Dear Mr Pinnuck and Cr Ham

I write regarding the business case under review by the Local Government Boundaries Commission for the de-amalgamation of Snowy Valleys Council.

I understand from our Executive Officer that Council is in the process of preparing its De-amalgamation Implementation Plan and Financial Sustainability Plan in support of Council's business case for de-amalgamation, which was identified as necessary during the public hearings in May 2024. I note you have advised that there has been some delay in the preparation of that information due to local government elections, and that you have indicated the Boundaries Commission will be in receipt of the plans by the end of the year.

The Commission looks forward to receiving that additional information in due course and proceeding with its review.

Yours sincerely

Mr Peter Duncan AM
Chairperson
